

Corporate values

GL2 Albania vision of a corporate culture that attracts the industry's best people is built upon our core values.

Our values communicate the way we behave in GL2 Albania. These are the values that we, as an organisation, have agreed to uphold now and in the future. They illustrate what we are and what we stand for.

Our core values are, to be:

- honest with integrity
- responsible and realistic
- supportive
- committed to our clients
- committed to our people
- more chilled out
